

## **Chief Financial Officer/Senior Manager**

Granger Medical Clinic, a 70-provider multi-specialty medical clinic in West Valley City, UT is seeking a seasoned financial professional to join its senior management team.

As the chief financial officer (CFO), s/he will be responsible for leading all financial activities of this rapidly growing clinic and will report to and work closely with the Clinic President. In addition, s/he will partner with the senior management team and the Board of Directors to develop and implement strategies, monitor financial risk and report progress across the organization.

The CFO will direct all financial functions including fiscal reporting and financial analysis, treasury management (including debt strategy), budgeting and performance measurement, tax and financial structure strategy, physician compensation plan, business office operations and human resources.

S/he must utilize strong leadership skills, be able to adapt to a continually evolving environment while managing with lean staff and possess a demonstrated track record of motivating and energizing others to share in and work toward a common vision.

The ideal candidate will be a seasoned professional with at least 8-10 years of senior management level experience in a healthcare organization and possess and sound management abilities. A comprehensive understanding of accounting, business and financial processes is a must. CPA required, Masters Degree preferred.

Only electronic resumes will be considered. Please submit resumes to our Human Resources Department at [employment@grangermedical.com](mailto:employment@grangermedical.com), adding "CFO" to the subject line.
